East Dunbartonshire Citizen's Advice Bureau

offers a free and confidential advice service for all residents. Our BME Equality Project ensure that people of all ethnicities, cultures and faiths have access to our services. We work hard to understand the needs of different communities and offer advice in various languages.

BME Advice Service

The bureau can give information on a wide range of social, financial and legal issues;

- **All Benefits**
- **Employment**
- **Law & Courts**
- **Housing**
- **Healthcare**
- **Money Advice**
- **Consumer Rights**
- **Family Issues**
- **Immigration**

The Citizens Advice Bureau would never turn anyone away due to cultural or language barriers. We have advisers that speak various languages, and we can offer translation services from an interpreter if required.

One to One Support

The CAB aims to ensure that no-one suffers due to lack of awareness of their rights and responsibilities. We offer one-to-one support in many languages and interpreters are available when needed. Support and advice can be given at our offices, or we can visit you at home. We can refer you to other agencies and we can represent you and negotiate on your behalf if required.

Group Visits

We are happy to arrange visits to speak to community groups. Here, we can talk about the range of services offered by the CAB. Or, we can deliver question and answer sessions on specific topics. If you feel this would be of benefit to your community, please get in touch.
